Dear 

STAT

I am indeed pleased that you have finally arrived at Okinawa and that we have been able to effect your promotion to P-3.

I have complete confidence that you can do the tremendous job that lies ahead of you in a highly commendable manner and it is certainly proper that you be adequately compensated for it. Of course, you understand that we can keep you in this grade only so long as you are on this job, and as far as we can see now it will be necessary for you to revert to P-4 when this assignment is terminated. In the meantime I hope that the increased compensation and economical living on Okinawa will permit you to save more than enough money to compensate for the inconveniences you have and will encounter.

I do hope that arrangements can be made for  to join you in the not too distant future.

STAT

Please give my kindest regards to Frank and Mrs. Blake.

Sincerely,

STAT

L. K. White
